Pipers to Tangle With Post Sat.

The Pied Pipers will be seeking their third win of the season here Saturday night as they host the Post Antelopes in a Homecoming tilt starting at 8 p. m. in Piper Stadium.

The Pipers will be out to avenge their loss last year to the Antelopes.

While the Pipers were edging by Olney, 13-12, last week the Antelopes were suffering defeat at the hands of another 5-AA team, Ballinger.

Coach D. C. Andrews said this week that his charges came out of the Olney game

in good physical shape and that they should be ready for this week's game.

Scouting reports on the Post team reveal that the Antelopes have all but three of their players back from last year. Hamlin coaches say that they have a lot of size to go along with their experience.

Their starting quarterback was hurt in their opening game and last week they moved a halfback, Benny Owen, into that position. It is not known here whether their regular quarterback will be able to play this week or not.

Probable starting lineup for the Antelopes will be: Danny Pierce, 175 pounds, and Donnie Windham, 149 pounds at ends; Charlie Brown, 203 pounds, and Bill Mitchell, 265 pounds, at tackles; John Bilberry, 157 pounds, and Jack Braddock, 205 pounds, at guards; Donnie Cornell, 149 pounds, at center; Owen, 166 pounds, or Teddy Scott, 152 pounds, at quarterback; Buddy Howell, 150 pounds, and Jim Bartlett, 150 pounds, at halfbacks; and Ronald Simpson, 150 pounds, at wingback.

Hamlin High Band Selling Pied Piper Megaphones

The Hamlin High School band is selling Pied Piper megaphones this year as a fund raising project. The eight inch white plastic megaphones are decorated with a green Piper.

SOMEBODY CARES

It is so important that someone cares about how this child grows up. Someone

cares that she is clothed and fed and loved. Someone cares that she goes

to school and grows in mind as well as body. Someone cares about

her childhood wonder and curiosity and wants to see them

satisfied. Someone cares enough to teach her to love other

people and will help her in her relations with them.

Someone cares about her spirit and desires for her

the highest ideals and standards, and will

help her to know God. Are you this someone?

Let it be said of her as it was said of Him,

"And Jesus increased in wisdom and stature and in favor with God and man." Luke 2:52.

TAKE
SOMEONE
TO CHURCH
THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

HHS Says Welcome Exes; Queen Nominee's Sketches Given

By NANCY FORD
CAROLYN REYNOLDS
MAROLYN REYNOLDS

Exes, Exes, Exes, that's all the students of Hamlin High are seeing this week or are thinking about. The Exes seem to swarm as bees over honey. They laugh and recall their old memories, and of the times they had in Hamlin High. To the Exes Hamlin High School wishes to say "Welcome home."

The Student Council is busy working to promote school spirit this Homecoming week. For instance, it is sponsoring color day Friday. Color day is where every student is asked to wear green or white. Another activity that the Council is promoting is that of securing a "Victory Bell" to be used at the football games. The Council did not succeed in purchasing one, but as the old saying goes—"if at first you don't succeed, try, try again"—they are still looking for one.

The National Honor Society, also in the swing of Homecoming, is sponsoring a coffee from 9:30 to 10:30 on Saturday morning honoring all National Honor Society Exes.

The making of the floats, the band's inspiring music, the Pep Squad's enthusiastic spirit, the students' laughter, the teachers' confusions, and the bruised football players all display that Homecoming week is here. Many times the students act as ants on an ant pile—bumping into each other—because all are working toward the best Homecoming ever.

Whom will it be—Mary Margaret Turner, Carolyn Reynolds, Barbara Graham, or Nancy Ford? These four girls have been selected to be the High School Homecoming Queen nominees, and all are living in a world of anticipation and dream until the Queen is announced at the half time show at Saturday night's ballgame. By participating in school, church, and civic activities, all are good representatives of Hamlin High School. Mary Margaret Turner is quite active this year, as she has been in the past three years. This year she is engaged in the following activities: band, stage band, historian in the National Honor Society, Library Club, Spanish Club, and business manager for the Piper Annual Staff. Miss Turner is a member of the First Baptist Church and actively participates in the church choir, the Sunday School,

Training Union, and Y.W.A. programs.

Another active queen nominee is Carolyn Reynolds. This year she is treasure for the senior class, secretary-treasurer for FHA, on the Piper Patter committee, treasurer of the Library Club, an active band member and stage band member, and a member of the Spanish Club. Carolyn is a member of the First Baptist Church, and she also participates in the church choir, and the Sunday School, Training Union, and Y.W.A. programs.

Miss Barbara Graham, another pretty queen nominee, is head Pep Squad majorette this year. Participating in the Library Club, Spanish Club, and FHA also keeps Barbara going at a fast pace. She attends the First Baptist Church, and also participates in civic affairs. Another honor bestowed on Barbara this year was that of the senior Piper Queen nominee.

Head cheerleader, and also a queen nominee, is Nancy Ford. Vice president of FHA, secretary of the senior class, a member of the National Honor Society and reporter of Student Council, and on the Piper Patter committee, keeps this queen nominee on the run. She also is active in Spanish Club and Library Club. Miss Ford is a member of the Fairview Baptist Church, and she is very active in the church, being a Sunday School song-leader and a teacher of the Beginner Department.

Mrs. Holly Toler Presents Program For Xi Gamma Pi

Xi Gamma Pi Chapter of Beta Sigma Phi met Thursday at 4 p.m. in the home of Mrs. E. D. Perrin. Mrs. Holly Toler presented the program, "Windows of the Soul" from the sorority's program book, "Festival of Life."

Plans were discussed for an entry in the Homecoming parade here Saturday.

The hostess served pie and coffee to 13 members.

The next meeting will be Sept. 24 with Mrs. John C. Bryant.

Mr. and Mrs. Larry Don Stremmel of Sagerton are parents of a girl, Rhonda Rena, born Sept. 10 at 7:25 a.m. She weighed 8 lbs.

Week end visitors in the home of Mr. and Mrs. A. J. Winegeart were Mr. and Mrs. Fred Dorsey of Gainesville.

PIPERS TAKE TO AIR AGAIN TO EDGE OUT OLNEY CUBS, 13-12

The Pied Pipers came from behind Friday night to win a close victory over the Olney Cubs, 13-12, in a game played on the Cub's home field. While the Pipers seemed to be getting over powered most of the night

by a well balanced Olney 11 they were able to come up with the key play when they needed it.

While Olney seemed to have the football most of the night, running 70 plays from scrimmage to Hamlin's 47 the Pipers were in scoring position twice in the first half and three times in the second period. Except for the two scoring drives, Olney was in scoring position only one other time in the ball game, this was their final series of downs in the fourth quarter when they gave up possession on the Hamlin 21.

The Pipers managed to use their passing attack, both the short and the long, again this week with devastating effect. The pass was the turning point in each of the Pipers' drives. Robert Pearce completed three of five for 123 yards, but had two intercepted. Johnny Overman completed six of eight for 50 yards and Tommy Ferguson connected on two of three for 21 yards.

Pearce carried the ball 21 times for 77 yards and Rupert Compton carried five times for 16 yards. Top gainer for the night was Olney's fullback, Pinkie Palmer, with 25 carries for 118 yards. Next for Olney was Joe Pearce with 75 yards in 16 carries.

The Piper defense held the Cubs when the chips were down, with the exception of the two scores, and then came up with the big plays in stopping them on their tries for two points after the scores which was the difference in the ballgame.

Key defensive plays forced the Cubs to punt twice, to lose the ball on downs twice, to lose the ball on interceptions twice and to fumble once.

Hamlin kicked off into the end zone to get the game underway. Olney drove the 80

yards in 14 plays with Palmer going over his left guard from the 12 for the score. The Cubs tried to run the two pointer but were stopped short by the Pipers.

The Pipers came back on a 41 yard pass play by Pearce to Mike Shivers to set them up on the Olney 21. Pearce carried to the 14 and then Compton was jarred lose of the ball at the 10 to kill the threat.

With the aid of a penalty that put the ball back to the 8 yard line the Pipers were able to hold the Cubs and they punted. Olney managed to recover the punt and put the ball back into play at their 35. They drove out to the 47 before Overman intercepted a pass and ran it back to his 42. The Pipers failed to make the yardage needed to keep possession and the Cubs took over again on their 42.

Larry Simpson recovered a Cub fumble at the 41 to give the Pipers another shot at the goal. With the aid of a 14 yard pass from Overman to Shivers and good gainers by Pearce, the Pipers owned a first down on the Cub 12. But in four plays Pearce was unable to make the needed yardage and the Cubs took over at the four.

Olney was forced to punt from their own 18 after picking up two first downs and then being thrown for a 15-yard loss by the Piper defense.

The Cubs closed out the first half by intercepting Pearce's pass at the 16.

Olney intercepted another pass by Pearce in the opening moments of the second half. A 15 yard penalty put them back to their 20 from where they moved the ball to Hamlin's 43 before losing possession on downs.

Overman passed to Shivers for eight yards and Pearce connected with Allen Cumbie for 43 and a first down on the Cub 6. Overman tried the middle and then passed to James Ledbetter for the score. Pearce kicked the extra point to put the Pipers out in front, 7-6.

Pearce intercepted a pass after the kick off and returned it for short yardage to the 27. Ferguson passed to Ledbetter for 11 yards and a first down on the 15, two plays later the same play was good for 10 yards and a first down at the 5. Pearce made a fine run around his left end for the score.

His kick for the extra point was wide and the Pipers owned a 13-6 lead.

Taking the kick off the Cubs moved 67 yards in nine plays to score with Palmer going over from the two. Trailing by one point the Cubs went for the two pointer only to have their quarterback have trouble with the snap from center. He was swarmed by Piper defenders as they hung on to their lead.

The Pipers punted for the first time during the evening after they failed to pick up a first down at the 48.

Olney moved to the Piper 21 in 11 plays, aided by a 15 yard penalty against the Pipers. But on fourth down and

needing six quarterback Tomlinson was stopped for no gain.

The Pipers took over at the 21 and picked up a first down on the Cub 32 with a 39 yard pass from Pearce to Cumbie. An 11 yard draw play by Compton gave them a first down on the 21. Pearce picked up nine and Compton gained the first with a yard to spare. With a first down on the 10 and only seconds left on the clock Overman hit the middle of the line to end the game.

Edell Perryman and daughter, Ila, of Irving visited his mother, Mrs. J. W. Perryman. Mrs. Perryman returned home with them and also visited a brother, O. W. Phillips of Dallas, who has been in ill health for more than two years.

Agent Is Asked Many Questions About Use of Gin Trash for Feed

A shortage of roughage for livestock due to the prolonged period of dry and hot weather is causing Jones County stockmen to turn to all types of roughages, reports County Agent Kirby Clayton.

He says an increasing number of questions dealing with roughages which may be used for emergency feeding are being asked and high on the list is gin trash.

Cotton burs and gin trash have been fed for many years but during more recent years the situation has changed, he says. Chemicals are now widely used in cotton production including those for defoliation and desiccation. Chemical residues and tolerances, as never before, must be considered when determinations are being made as to whether fields should be grazed after harvest or burs or gin trash should be fed to livestock.

Clayton said the information he has received from Extension specialists points out that cotton fields should not be grazed after desiccation, especially if arsenic acid was used. Shredding the stalks immediately after harvest, Clayton added, will help control insects and improve the moisture situation for next year's crop.

Arsenic acid is poisonous to both man and animal and the safety directions on the manu-

facturer's label should be followed very closely and only the recommended amounts used for desiccation.

The county agent also said desiccants would drift if applied when the wind is strong. Arsenic acid may drift into grazing areas, onto feed crops and thus endanger livestock. Home plantings of vegetables, flowers, shrubs and trees might also be damaged by drift from any desiccant.

The county agent suggests that recommendations covering the use of desiccants be followed to avoid unnecessary losses.

HERE'S SOME MORE MOM!

Youngsters have a knack for messing up things... themselves, the house, their clothes. This is especially true during the winter months. And it takes a lot of hot water to clean up. The new 3-times-faster, quick recovery, flameless electric water heater is time saving and provides a more-than-ample supply of hot water. A strict temperature control prevents overheating and there's nothing to re-set, regulate, or turn on and off except the faucet.

It can be easily installed anywhere in the house, since there is no flame, no flue is needed. Only a flameless electric water heater is fully automatic.

See your electric appliance dealer or your plumbing fixtures dealer about installing a flameless electric water heater.

A pruned budget for the coming year was adopted by Jones County Commissioners Court Thursday, Sept. 10, following a public hearing.

The new budget calls for expenditures of \$528,000 as compared to \$834,000 last year. However, about \$200,000 of the 1963 budget was for right of way purchase.

About three dozen taxpayers were present for the hearing and various aspects of the budget were explained to them.

County Judge Leon Thurman said Monday that the budget had been cut to the bare minimum with reductions in many departments.

A meeting of taxpayers was held in the district court room Monday night prior to the public hearing and County Auditor Carl Savage explained how the budget was worked up and answered questions about the valuation survey.

The new tax rate for the county will be 70 cents a reduction of four cents.

The rate is made up as follows: General fund, 40 cents; jury fund, 2 cents; road and bridge fund, 28 cents. The road and bridge fund was reduced 2 cents.

It was explained that Jones County already has reached the

point where automobile registration fees which come to the county has reached the peak. Added costs of running the county are having to be borne almost entirely out of tax money.

As a result of the tax valuation survey, valuations in the county have been increased from \$24,500,000 to \$31,000,000. However, because of the drought,

Hamlin Herald To Publish Pictures Again

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Thursday, Oct. 1.

Pictures will be taken at the White Plaza Hotel from 10 a. m. to 6 p. m.

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken.

Appointments may be had by calling Mrs. A. J. Winegeart, SP 4-2289.

commissioners expect tax collections to drop to possibly as low as 85 per cent.

In past years, collections have run well over 90 per cent—sometimes as much as 97 per cent, County Auditor Carl Savage said.

It must be remembered, however, Mr. Savage said, that the county allows three per cent

cash discount on taxes paid in October, two per cent in November and one per cent in December. In addition, four per cent of all taxes collected go into the officers salary fund, with two of this being charged up to assessing and two for collecting.

This money, Mr. Savage explained cannot be considered when drafting a budget.

Big Week End Set for Exes

Pipers to Tangle With Post Sat.

Chili Supper to Open Activities Friday Night

The Pied Pipers will be seeking their third win of the season here Saturday night as they host the Post Antelopes in a Homecoming tilt starting at 8 p.m. in Piper Stadium.

The Pipers will be out to avenge their loss last year to the Antelopes.

While the Pipers were edging by Olney, 13-12, last week the Antelopes were suffering defeat at the hands of another 5-AA team, Ballinger.

Coach D. C. Andrews said this week that his charges came out of the Olney game

in good physical shape and that they should be ready for this week's game.

Scouting reports on the Post team reveal that the Antelopes have all but three of their players back from last year. Hamlin coaches say that they have a lot of size to go along with their experience.

Their starting quarterback was hurt in their opening game and last week they moved a halfback, Benny Owen, into that position. It is not known here whether their regular quarterback will be able to play this week or not.

Probable starting lineup for the Antelopes will be: Danny Pierce, 175 pounds, and Donnie Windham, 149 pounds at ends; Charlie Brown, 203 pounds, and Bill Mitchell, 265 pounds, at tackles; John Billberry, 157 pounds, and Jack Braddock, 205 pounds, at guards; Donnie Cornell, 149 pounds, at center; Owen, 166 pounds, or Teddy Scott, 152 pounds, at quarterback; Buddy Howell, 150 pounds, and Jim Bartlett, 150 pounds, at halfbacks; and Ronald Simpson, 150 pounds, at wingback.

Hamlin High Band Selling Pied Piper Megaphones

The Hamlin High School band is selling Pied Piper megaphones this year as a fund raising project. The eight inch white plastic megaphones are decorated with a green Piper.

The unbreakable speaking trumpet will be used to cheer the Pied Pipers. They are on sale at several downtown businesses and from any high school band student for \$1.

Funeral Services Held Sunday for O. R. Shelton, 69

Funeral services for O. R. Shelton, 69, of Hamlin were held at 3 p.m. Sunday in the Church of Christ conducted by Thomas E. Cudd, minister. Burial was in the Hamlin East Cemetery. A resident of Hamlin for 43 years, Mr. Shelton died in Abilene at 9:40 p.m. Friday, following a heart attack.

Mr. Shelton was born April 5, 1895, at Alvord, Texas. He was married to the former Lottie Bevels at Waxahachie, Feb. 28, 1920. He was an oil field mechanic, a member of V.F.W. Post 2012 in Abilene, and a member of the Church of Christ.

Survivors include his wife, two daughters, Mrs. Ralph (Bernice) Brown of Phillips, Mrs. Dan (Bebe) Kerr of Denver City; one brother, Ed of Abilene; four sisters, Mrs. Myrtle Woods of Italy, Mrs. Vera Few, Mrs. Lillie Goss, and Mrs. Mannie Tucker all of Dallas; and five grandchildren.

Superintendent Welcomes Exes

"It is again my sincere pleasure to say 'welcome' to all the ex-students and faculty of Hamlin High School," C. F. Cook, superintendent of Hamlin Schools, said this week. "The entire faculty of the school joins me in this welcome."

"It has been a thrill for the past several years to see the coming home of all ex-students. It makes us feel humble to see all of you return to Hamlin and take part in this event. We want you to feel at home and if there is anything we can do to make your visit more pleasant, please call or us."

"The leaders of the Ex-student Association are to be commended for their fine efforts and accomplishments."

"I would especially like to welcome all former teachers and administrators to this Homecoming. What success we have had these years is due to the hard and diligent work that these predecessors have done. The foundation that you laid are what we can build on in years to come."

"It is our earnest desire that you have another good Homecoming this year. We hope that we can have a small part in making this one the best and we pledge our efforts to you. I hope that you can always say 'I am proud to be an ex of Hamlin High School.' I can say it is great to be the superintendent of the Hamlin Schools."

The Hamlin High School band will set the pace for the parade. The Marching Green, under the direction of Tim Jones, will also furnish the background for the crowning of the Homecoming queens during half time.

One of nine former students will be selected as the Ex-student queen by vote of other exes. A senior girl from high school will also be crowned as the high school homecoming queen at this time.

SOMEBODY CARES

It is so important that someone cares about how this child grows up. Someone

cares that she is clothed and fed and loved. Someone cares that she goes

to school and grows in mind as well as body. Someone cares about

her childhood wonder and curiosity and wants to see them

satisfied. Someone cares enough to teach her to love other

people and will help her in her relations with them.

Someone cares about her spirit and desires for her

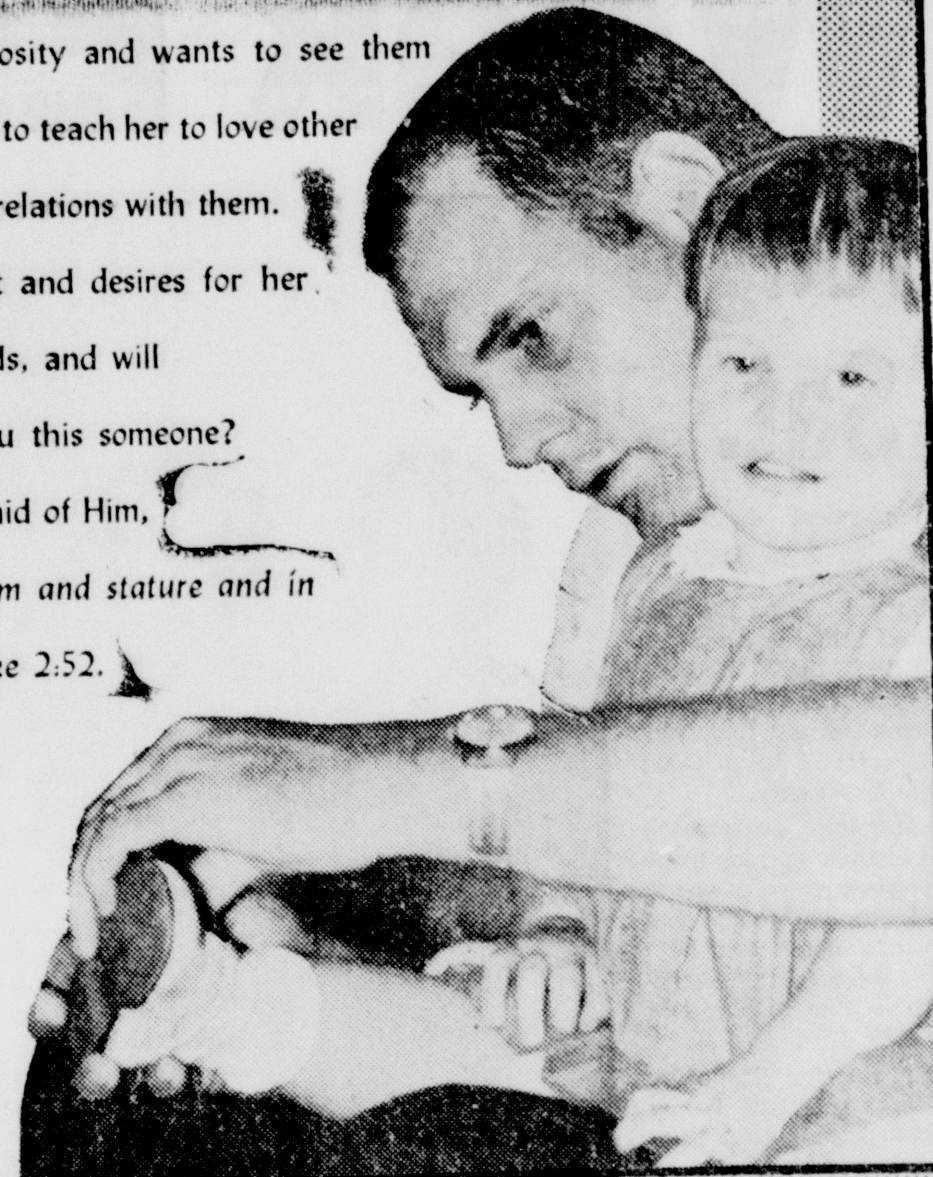

the highest ideals and standards, and will

help her to know God. Are you this someone?

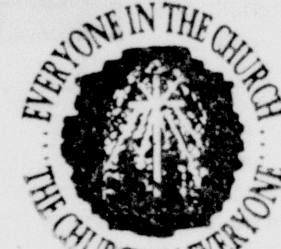

Let it be said of her as it was said of Him,

"And Jesus increased in wisdom and stature and in favor with God and man." Luke 2:52.

TAKE
SOMEONE
TO CHURCH
THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

By MRS. ELMER JOINER

Wonderful weather has prevailed the past few days, in fact sweaters and coats may be seen. Almost an inch of rain fell Friday night and Saturday morning, which is always welcome, after the hot, dry summer we went through this year.

It seems that Mr. and Mrs. E. A. Henry has a peach tree that is all mixed up, since it has been blooming, recently. Mrs. Henry reports that it had

at least twenty blooms on it, the blooms looking odd, among the leaves as the blooms always come first.

Mr. and Mrs. Henry Lee, Lubbock, visited with the Elmer Joiners, Monday afternoon, enroute home, from a visit at Beeville, with a daughter, Mr. and Mrs. Delbert Martindale and boys, also visited her brother, Sonny Joiner, of San Antonio.

Mr. and Mrs. W. R. Pennington, Dodge City, Kansas, spent several days with her parents, Mr. and Mrs. Joe Ford, last week. Saturday visitors with them all, were Mr. and Mrs. Willard Herrington and children, of Abilene, and Mr. and Mrs. H. L. Ford and children, of this community.

Mrs. George Wainwright's father, T. N. McCright, is spending the week with the Wainwrights.

We had a little excitement, before church services, out our way, Sunday morning. A young couple, with two children, arrived on the scene early and was greeted by the pastor and others present. After some speculation it was decided that he must be a preacher and was lost, since no one had ever seen them before and it was strange that they picked that place to visit. So to be sure, the pastor questioned him, in order to help out, if he was mistaken, and found that he was supposed to preach at Prairieview and his name was Ingram. So he was directed to that place and we hope he arrived on the scene in time to preach for them.

Mr. and Mrs. Jack D. Wright are the proud parents of a fine baby boy, weighing eight pounds and seven ounces, arriving early Sunday morning. They have two other children, Melinda and Keenan.

Mrs. Henry went to visit her sister, Mrs. Obie Wright, who lives near Rotan, last Tuesday. She reported they shelled peas and visited all day.

It seems that the rainmakers are working again, for the September Family night time, has been set for Wednesday night, September 23rd, at the park in Hamlin again. At least you can say we are persistent in our effort to meet at the park, so it may be time to prepare for rain again.

The Fairview Church went

to the rest home in Hamlin, Sunday afternoon, reporting that they enjoyed their visit with the patients very much.

Visitors of the Fred Rosenbaums last week were Mr. and Mrs. Hugh Cliff, of Sweetwater. Mr. and Mrs. Cliff boarded with the Rosenbaums and taught school at McCauley, many years ago.

Mrs. Rosenbaum visited with Mrs. Arlene Faulkenberry, Sunday afternoon.

This reporter did go to court last week and spend four days as a petit juror, after which the case recessed until September 21. By the time it is finished I may have a chance to decide for sure that I don't think women should serve on the jury. From listening to it

seems that the men don't like jury duty any better than the women, so guess we will all just do our civic duty, and do the best we can.

The brain of the elephant is the biggest of all animals, it weighs more than 13 pounds.

CAROLYN REYNOLDS
MAROLYN REYNOLDS

Exes, Exes, Exes, that's all the students of Hamlin High are seeing this week or are thinking about. The Exes seem to swarm as bees over honey. They laugh and recall their old memories, and of the times they had in Hamlin High. To the Exes Hamlin High School wishes to say "Welcome home."

The Student Council is busy working to promote school spirit this Homecoming week. For instance, it is sponsoring color day Friday. Color day is where every student is asked to wear green or white. Another activity that the Council is promoting is that of securing a "Victory Bell" to be used at the football games. The Council did not succeed in purchasing one, but as the old saying goes—"if at first you don't succeed, try, try again"—they are still looking for one.

The National Honor Society, also in the swing of Homecoming, is sponsoring a coffee from 9:30 to 10:30 on Saturday morning honoring all National Honor Society Exes.

The making of the floats, the band's enthusiastic spirit, the students' laughter, the teachers' confusions, and the bruised football players all display that Homecoming week is here. Many times the students act as ants on an ant pile—bumping into each other—because all are working toward the best Homecoming ever.

Whom will it be—Mary Margaret Turner, Carolyn Reynolds, Barbara Graham, or Nancy Ford? These four girls have been selected to be the High School Homecoming Queen nominees, and all are living in a world of anticipation and dream until the Queen is announced at the half time show at Saturday night's ballgame. By participating in school, church, and civic activities, all are good representatives of Hamlin High School.

Mary Margaret Turner is quite active this year, as she has been in the past three years. This year she is engaged in the following activities: band, stage hand, historian in the National Honor Society, Library Club, Spanish Club, and business manager for the Piper Annual Staff. Miss Turner is a member of the First Baptist Church and actively participates in the church choir, the Sunday School,

Training Union, and Y.W.A. programs.

Another active queen nominee is Carolyn Reynolds. This year she is treasure for the senior class, secretary-treasurer for FHA, on the Piper Patter committee, treasurer of the Library Club, an active band member and stage band member, and a member of the Spanish Club. Carolyn is a member of the First Baptist Church, and she also participates in the church choir, and the Sunday School, Training Union, and Y.W.A. programs.

Miss Barbara Graham, another pretty queen nominee, is head Pep Squad majorette this year. Participating in the Library Club, Spanish Club, and FHA also keeps Barbara going at a fast pace. She attends the First Baptist Church, and also participates in civic affairs. Another honor bestowed on Barbara this year was that of the senior Piper Queen nominee.

Head cheerleader, and also a queen nominee, is Nancy Ford. Vice president of FHA, secretary of the senior class, a member of the National Honor Society and reporter of Student Council, and on the Piper Patter committee, keeps this queen nominee on the run. She also is active in Spanish Club and Library Club. Miss Ford is a member of the Fairview Baptist Church, and she is very active in the church, being a Sunday School song-leader and a teacher of the Beginner Department.

The hostess served pie and coffee to 13 members.

The next meeting will be Sept. 24 with Mrs. John C. Bryant.

PIPERS TAKE TO AIR AGAIN TO EDGE OUT OLNEY CUBS, 13-12

The Pied Pipers came from behind Friday night to win a close victory over the Olney Cubs, 13-12, in a game played on the Cub's home field. While the Pipers seemed to be getting over powered most of the night

by a well balanced Olney 11 they were able to come up with the key play when they needed it.

While Olney seemed to have the football most of the night, running 70 plays from scrimmage to Hamlin's 47 the Pipers were in scoring position twice in the first half and three times in the second period. Except for the two scoring drives, Olney was in scoring position only one other time in the ball game, this was their final series of downs in the fourth quarter when they gave up possession on the Hamlin 21.

The Pipers managed to use their passing attack, both the short and the long, again this week with devastating affect. The pass was the turning point in each of the Pipers' drives. Robert Pearce completed three of five for 123 yards, but had two intercepted. Johnny Overman completed six of eight for 50 yards and Tommy Ferguson connected on two of three for 21 yards.

Pearce carried the ball 21 times for 77 yards and Rupert Compton carried five times for 16 yards. Top gainer for the night was Olney's fullback, Pinkie Palmer, with 25 carries for 118 yards. Next for Olney was Joe Pearce with 75 yards in 16 carries.

The Piper defense held the Cubs when the chips were down, with the exception of the two scores, and then came up with the big plays in stopping them on their tries for two points after the scores which was the difference in the ballgame.

Key defensive plays forced the Cubs to punt twice, to lose the ball on downs twice, to lose the ball on interceptions twice and to fumble once.

Hamlin kicked off into the end zone to get the game underway. Olney drove the 80

yards in 14 plays with Palmer going over his left guard from the 12 for the score. The Cubs tried to run the two pointer but were stopped short by the Pipers.

The Pipers came back on a 41 yard pass play by Pearce to Mike Shivers to set them up on the Olney 21. Pearce carried to the 14 and then Compton was jarred lose of the ball at the 10 to kill the threat.

With the aid of a penalty that put the ball back to the 8 yard line the Pipers were able to hold the Cubs and they punted. Olney managed to recover the punt and put the ball back into play at their 35. They drove out to the 47 before Overman intercepted a pass and ran it back to his 42. The Pipers failed to make the yardage needed to keep possession and the Cubs took over again on their 42.

Larry Simpson recovered a Cub fumble at the 41 to give the Pipers another shot at the goal. With the aid of a 14 yard pass from Overman to Shivers and good gainers by Pearce, the Pipers owned a first down on the Cub 12. But in four plays Pearce was unable to make the needed yardage and the Cubs took over at the four.

Olney was forced to punt from their own 18 after picking up two first downs and then being thrown for a 15-yard loss by the Piper defense.

The Cubs closed out the first half by intercepting Pearce's pass at the 16.

Olney intercepted another pass by Pearce in the opening moments of the second half. A 15 yard penalty put them back to their 20 from where they moved the ball to Hamlin's 43 before losing possession on downs.

Overman passed to Shivers for eight yards and Pearce connected with Allen Cumbie for 43 and a first down on the Cub 6. Overman tried the middle and then passed to James Ledbetter for the score. Pearce kicked the extra point to put the Pipers out in front, 7-6.

Pearce intercepted a pass after the kick off and returned it for short yardage to the 27. Ferguson passed to Ledbetter for 11 yards and a first down on the 15, two plays later the same play was good for 10 yards and a first down at the 5. Pearce made a fine run around his left end for the score.

His kick for the extra point was wide and the Pipers owned a 13-6 lead.

Taking the kick off the Cubs moved 67 yards in nine plays to score with Palmer going over from the two. Trailing by one point the Cubs went for the two pointer only to have their quarterback have trouble with the snap from center. He was swarmed by Piper defenders as they hung on to their lead.

The Pipers punted for the first time during the evening after they failed to pick up a first down at the 48.

Olney moved to the Piper 21 in 11 plays, aided by a 15 yard penalty against the Pipers. But on fourth down and

needing six quarterback Tomlinson was stopped for no gain.

The Pipers took over at the 21 and picked up a first down on the Cub 32 with a 39 yard pass from Pearce to Cumbie. An 11 yard draw play by Compton gave them a first down on the 21. Pearce picked up nine and Compton gained the first with a yard to spare. With a first down on the 10 and only seconds left on the clock Overman hit the middle of the line to end the game.

Edell Perryman and daughter, Ila, of Irving visited his mother, Mrs. J. W. Perryman. Mrs. Perryman returned home with them and also visited a brother, O. W. Phillips of Dallas, who has been in ill health for more than two years.

Agent Is Asked Many Questions About Use of Gin Trash for Feed

A shortage of roughage for livestock due to the prolonged period of dry and hot weather is causing Jones County stockmen to turn to all types of roughages, reports County Agent Kirby Clayton.

He says an increasing number of questions dealing with roughages which may be used for emergency feeding are being asked and high on the list is gin trash.

Cotton burs and gin trash have been fed for many years but during more recent years the situation has changed, he says. Chemicals are now widely used in cotton production including those for defoliation and desiccation. Chemical residues and tolerances, as never before, must be considered when determinations are being made as to whether fields should be grazed after harvest or burs or gin trash should be fed to livestock.

Clayton said the information he has received from Extension specialists points out that cotton fields should not be grazed after desiccation, especially if arsenic acid was used. Shredding the stalks immediately after harvest, Clayton added, will help control insects and improve the moisture situation for next year's crop.

Arsenic acid is poisonous to both man and animal and the safety directions on the manu-

HERE'S SOME MORE MOM!

Youngsters have a knack for messing up things... themselves, the house, their clothes. This is especially true during the winter months. And it takes a lot of hot water to clean up. The new 3-times-faster, quick recovery, flameless electric water heater is time saving and

provides a more-than-ample supply of hot water. A strict temperature control prevents overheating and there's nothing to re-set, regulate, or turn on and off except the faucet.

It can be easily installed anywhere in the house, since there is no flame, no flue is needed. Only a flameless electric water heater is fully automatic.

See your electric appliance dealer or your plumbing fixtures dealer about installing a flameless electric water heater.

Got a spot on your tent that's leaking?

Try rubbing the spot with a regular wax candle. Work wax into the cloth with vigor. Then apply heat in the form of a warm, not hot, iron.

Wax will melt and give water repellence for a surprisingly long time.

COUNTY COMMISSIONERS TRIM BUDGET BACK FROM LAST YEAR

A pruned budget for the coming year was adopted by Jones County Commissioners Court Thursday, Sept. 10, following a public hearing.

The new budget calls for expenditures of \$528,000 as compared to \$834,000 last year. However, about \$200,000 of the 1963 budget was for right of way purchase.

About three dozen taxpayers were present for the hearing and various aspects of the budget were explained to them. County Judge Leon Thurman said Monday that the budget had been cut to the bare minimum with reductions in many departments.

A meeting of taxpayers was held in the district court room Monday night prior to the public hearing and County Auditor Carl Savage explained how the budget was worked up and answered questions about the valuation survey.

The new tax rate for the county will be 70 cents a reduction of four cents.

The rate is made up as follows: General fund, 40 cents; jury fund, 2 cents; road and bridge fund, 28 cents. The road and bridge fund was reduced 2 cents.

It was explained that Jones County already has reached the

point where automobile registration fees which come to the county has reached the peak. Added costs of running the county are having to be borne almost entirely out of tax money.

As a result of the tax valuation survey, valuations in the county have been increased from \$24,500,000 to \$31,000,000. However, because of the drought,

Hamlin Herald To Publish Pictures Again

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Thursday, Oct. 1.

Pictures will be taken at the White Plaza Hotel from 10 a. m. to 6 p. m. There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken.

Appointments may be had by calling Mrs. A. J. Winegart, SP 4-2289.

commissioners expect tax collections to drop to possibly as low as 85 per cent.

In past years, collections have run well over 90 per cent—sometimes as much as 97 per cent, County Auditor Carl Savage said.

It must be remembered, however, Mr. Savage said, that the county allows three per cent

cash discount on taxes paid in October, two per cent in November and one per cent in December. In addition, four per cent of all taxes collected go into the officers salary fund, with two of this being charged up to assessing and two for collecting.

This money, Mr. Savage explained cannot be considered when drafting a budget.
